is due, and is hereby made, to those of

J. Brown's clients who were kept wait-

ing for their winter clothes.

Never, in the annals of High-Class

Tailoring, has such a rush been experi-

enced as that at Piedad 519 (Terms: Cash) during the last two months.

However, in order that the same delay

may not occur again, and to cope with

the demands of his impatient and rapidly

growing connection, J. Brown's pre-

sumes are at the present time undergoing

extensive alterations and the staff will

shortly be DOUBLED.

A Ladies' Department

is being added, in which special atten-

tion will be given to Habits and Tailor-

made jackets.

Finally, the stock, the whole of which

is imported direct, from the best Wool

of England and Scotch Houses, will be

increased in the same proportion, and

will each season comprise the very

latest London Novelties.

this than Dr. Saenz Peña. Were democ-

cracy in the ascendant here, we should

not have the poor colonists murdered

in their little homes in Santa Fe,

and the Governor, Ministers, judges and

police, of that province allowed to

escape scot free. Were there true de-

ocrats in Rosario or Buenos Ayres,

we should very soon have vigilance

committees named, whose chief business

would be not only to execute the de-

crees, but also to punish the authori-

ties who are responsible to the people

for the scandalous impunity for crime

which exists in Santa Fe. We merely

advent to this subject to show that, great

as our triumph in the recent election,

we have yet a long way to travel before

we merit the title of democrats.

Let us hope that this model Presi-

in Argentine politics, and we shall be

able to inaugurate a new conservative

party, offering though it be of crisis, anarchy and

state of siege, with every welcome. The

reaction at the moment is certainly very

strong, but it is on our guard that it is

not exaggerated.

THE PRESIDENTIAL ELECTION.

Owing to pressure on our space, we

had to hold over yesterday the excel-

of city residents. Mr. Marín spoke

as follows:

Dr. Saenz Peña,

You have been proclaimed constitu-

this day is hailed by all Argentines, who

see the termination of a long and do-

lourous state of things. In accepting your

programme, which we have all read

with intense satisfaction, we bind our-

selves to support you. The Republic
